PFA 9011 Flat display fixed floor stand

The PFA 9011 flat display fixed floor stand is part of a modular system which enables you to create your own floor mounting solution for LCD/Plasma TV's. As a next step you can attach one or more turn and tilt units (PFA 9001/ 9002) followed by your choice of universal flat display interfaces (FAU 3125/ 3150), depending on the display. The PFA 9011 is made of stainless steel, can be screw-mounted to the floor and has CIS® Cable Inlay System. The height is 180 cm.
